NOTICE OF SETTLEMENT AGREEMENT

Six individuals with disabilities who are living in nursing facilities filed a lawsuit against the Commonwealth of Massachusetts, claiming that they could return to the community, but needed support from the State to do so. This Settlement Agreement will expand the resources available in Massachusetts for individuals such as the plaintiffs and thousands of people like them (called “class members”), allowing many nursing facility residents to receive residential services and supports provided in the community instead of in a nursing facility. BINDING EFFECT

If the Court approves this Settlement Agreement, the Agreement prevents class members from bringing their own lawsuits about the same problems addressed in this Settlement Agreement. This means that you cannot later seek different or additional relief regarding these issues during the 8 years of the Agreement.

The Court has scheduled a hearing to consider any objections and decide whether to finally approve the Settlement Agreement. The hearing will be held on JUNE 17, 2024, at 3:00 PM in Courtroom 4 at the United States District Court, 1 Courthouse Way, Suite 2300, Boston, Massachusetts. You are welcome to attend.

UNLESS OBJECTING TO THE SETTLEMENT IN WRITING, PLEASE DO NOT CONTACT THE COURT DIRECTLY.
